# Lies You Tell

**Don't be fooled ...** even by, or rather, especially by, fraudulent misleading media...the only American's on this continent are the various copper-colored skin people found here... That would be the Moors. **ISLAM!!** all others are 'Naturalized citizens' with an supposed allegiance to the American land, complete with the obligation of the 'Law of the Land'. If they violate it, they lose their position as an adopted citizen.

**American:** n. an Aboriginal or one of the various copper-colored natives found on the American Continent by the Europeans; the original application of the name. — *Websters 1828 American Dictionary of the English language and 1936 . Websters unabridged 20th century dictionary.*

The 'Real' name of this show ought be:

**The Modern Europeans**
