

Monopoly / Asiatic American Connection To The Continental Americas

Published via the 1st Amendment of the American Republic Constitution

First, I Impel the concept of all praise due to the "**Most High**"! This Script started off as a "**Text Message**" to my Brothers **DeyRahEl Ali** and **Maroc** (Moor Cousin) **Bey. As** I was manifesting this revelation I realized these concepts ought be made public. Peace and Equanimity.

This is the Message:

Peace FAM. Definition of "**Personal Liberty**" mentions protection from unfair "**Monopoly**" in "**Trade**" it is interesting how the "**Monopoly**" "**Board game**" was based off of what is now called "**Atlantic City**". In Fact though **ATLANTIC CITY** is / was "**Absecon Beach**" prior to the Incorporation of "**ATLANTIC CITY**" 1854 Gregorian / Sothic Calendar, this is why you have the "**Absecon Light House**" on this **Island** in **North America / Al Morocco** called "**Atlantic City**" today. If we go back a little further, the word "**Absecon**" is a corruption of the Aboriginal **American** appellation "**Absegami**", therefore "**Absegami Beach**" **North America / Al Morocco**. (Note: "**Absegami**" "**High School**" uses a "**Moors Head**" as the Insignia present day (see Infra).

The "**Little Island**" "**Absegami Beach**" (**ATLANTIC CITY**) **North America / Al Morocco**, modernly is symbolic of all the "**Quasi National Domiciles**" claiming Jurisdiction over **Moors / Americans** "**Ancestral Estate / National Domicile / North America / Al Morocco.**" (i.e. the colonial street names of **ATLANTIC CITY** are inclusive of the 50 States / "**Quasi National Domiciles**" Just as in the "**Monopoly**" board game).

The "Federal Reserve Note(s)" in reality are "lawfully" as valuable as the Fiat fake Notes that comes with the "Monopoly" board Game. Meaning, the F.R.N's are toilet paper and "unconstitutional". (*All due respect to the Necessities in Life! Think about it and L.o.l.*) Try using "Monopoly notes" outside of the Board Game and you would be considered crazy. It only has value if you are a participant in the function of the board game.

However, what is not funny is that **De Facto** operators don't recognize this as a Game, as it is a part of their "Ideology", and the Aboriginal "Americans" suffer from **Lack of Knowledge of these Facts**. For those who have no knowledge of this **Island**, trust that everything from Baltic Ave and East of Baltic Ave is a headache for parking and under Colonial Operations. You will have to give up some "Federal Reserve Notes" (**Monopoly Money**) for comfortable parking of land vessels. In other words, "Free Parking" is as valuable on the "Absegami Beach" (**Atlantic City**) North America, as on the "Monopoly" board game. The common Traveler will find this True.

The above area is a "portion" of the Moors / Americans "Ancestral Estate". Is it Logical to fold the "Monopoly" board and stop playing where it started at? Would we be able to deal with reality then?

I think so with a reasoning mind! After all, if you play the game, the objective is for players to move around the game board buying or trading properties, developing their properties with houses and hotels, and **collecting rent from their opponents, the ultimate goal being to drive them into "bankruptcy" (Civiliter Mortuus Status)**. This concept constitutes **"Unfair Monopoly of Trade"**, and for that reason is a Violation of **Personal Liberty.**"

Also note the **E**lectric Company is on the **"Monopoly"** Board.

'For the Record' this Publication was made tangible by inspiration of studying the definition of **Personal Liberty**" and its correlation to protection from **"Unfair Monopolies"**, which was intended to be shared with my **"American Peers"** Aboriginal to the Continental Americas , Primitively Domiciling in the Territory of which the "Monopoly Game" corresponds — Absegami Beach, North America (ATLANTIC CITY). **See Definition of Personal Liberty" Infra for Understanding.**

Personal Liberty"- - **Freedom** from physical and personal restraint; **the right to the pursuit of happiness** ; **freedom** to go where one chooses and to pursue such lawful occupations as may seem suitable. **In its broad sense** Personal Liberty would include freedom from unlawful arrest and restraint from "unlawful seizures" and searches, from assault and battery, from libel and slander, from **general warrants** of arrest ; **from unfair monopolies** of trade, and from quartering soldiers in time of peace; and it would include also **the right to Trial by Jury**", **Liberty of Conscience**", **The right to travel**" and **emigrate**, to **bear arms** and to petition the government for a redress of "grievances"! (*Lawful Reference; John Bouviers Concise Encyclopedia of Law Francis Rawles Third Revision Pg. 2576 Definition of "Personal Liberty"*)

But "Personal Liberty" in its **Stricter sense**" it includes only **freedom**" to move about as one pleases and to pursue any lawful calling". (Reference / Source of Law; *Munn v. Illinois, 94 U.S. 142, 24 L. Ed. 77; People v Marx, 99 N.Y. 377, 2 N.E. 29, 52 Am. Rep.34 ; John Bouviers Concise Encyclopedia of Law Francis Rawles Third Revision Pg. 2576 Definition of "Personal Liberty"*)

Definition of "American" as a *noun*. An "Aboriginal" or anyone of the **Various Copper- Colored Natives**" found on the Continent by "Europeans" the Original application of the word! Reference *Websters Unabridged Dictionary Page 53 Published 1936 Gregorian/Sothic Calendar*.

Example of **American**" one of the **Various**" **Copper-Colored**" Natives found on the continent by **Europeans**".

With respect to these facts (Word is Bond I hear the drum beats of Aboriginal Moors / Americans playing in my head as I am writing at this point 1:28 a.m. March 25th Gregorian / Sothic Calendar. The sound is so harmonic but I can't describe it. I will just accept it as a message from the creator) .

Definition of "Morel" "adjective" (Old French, French Moreau, from Late Latin "Morellus" from the Latin word "Maurus"; "Moor", "Morello", "Murrey.") of a "dark color".

Definition of "Morello" noun Italian "Morello": Any of the cultivated "cherries" forming one of the two groups derived from "Prunus Cerabus", "distinguished" by their "dark colored skin" and "juice" , from the "Amarells", the coordinate group. See definition of "American".

Various
"Copper-Color"
Native

With respect to the correlation of the Word Moor / Morellos, and "Cherries", it gives the impression of "intellectual evidence" regarding George Washington chopping down the "Cherry Tree", and correlates to the Al Moroccan American Flag. (See Taj Tarik Bey's Lesson Book 14 on the subject.)

Moors/Americans are Aboriginal to North, South, and Central America, thus a distinguishing factor needs to be made for the Public Record that Moors / Americans are not "Indians" because the geographical fact is that the Continental **Americas is not "India"**.

India is in Asia, however Moors / Americans Aboriginal to the Continental Americas, who are aware, recognize self as indigenous or "Indu" being the "etymon" of "indigenous".

On the same note, the Original appellation of what is called "India" today is really Hindustan, Asia. In reality the "Lineal and Collateral Consanguinity" of Moors / Americans Aboriginal to the Continental Americas is connected with Hindustani, Asia. The Book "History of the Moorish Empire in Europe" (Published by J.P. Lippincott Company 1909) affirms de Jure History and connection of Moors service in Hindustan Military, and of Moors Teaching and Learning in Hindustan, Asia "Kohinoor" "**The Mountain of Light**".

Herein, I Honorably Quote "Prophet Noble Drew Ali":

" Come "All" ye "Asiatics" of "North America" and here "The Truth" About Your "Nationality" [*Political Status*] and "Birthrights" [*Domicile / Civil Status*].

Definition of "Nationality", of which Noble Drew Ali summoned Moors to hear the "Truth" about because we Moors needed him, as we needed the truth, the Most!

"Nationality". That Quality or character which arises from the "fact" of a person's belonging to a "nation" or state. "*Nationality*" determines the "*political status*" of the individual, "*especially*" with reference to allegiance; while "*Domicile*" determines his "*Civil Status*" See Definition of "*Quasi National Domicile*", "*Municipal Domicile*", and "*National Domicile*". Reference "*Henry Campbell Blacks*" *Law Dictionary of Ancient and Modern Jurisprudence Revised 4th Edition*.

"Nation" An independent body politic. A society of men united together for the purpose of promoting their mutual safety and advantage by the joint efforts of their combined strength. Reference: *John Bouviers Concise Encyclopedia of Law Francis Rawles 3^d Revision*.

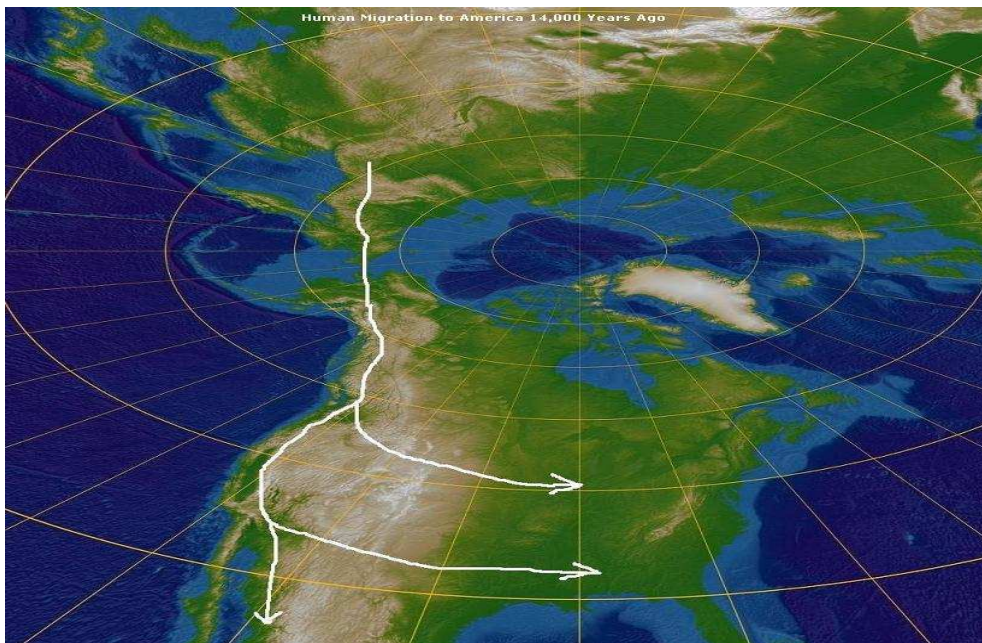

In Honor of the "Prophet Noble Drew Ali's" Historical "*Divine Warning to the Nation (s)*", Noble Drew Ali made clear that there is no Need for the Application of the 14th and 15th Amendment for the salvation of My People and the Citizens. And yes because the "14th Amendment" is apart of the "Monopoly" so these are a List of reasons Moors / Americans cannot be US Citizens in the Law of Nature.

1. Moors / Americans are "Natural Persons" Living Divine Beings.
2. "Corporations" are "Persons" "as that word is used in The first Clause of the

14th Amendment.” Impartial reference Henry Campbell Blacks Law Dictionary of Ancient and Modern Jurisprudence Definition of Person.

3. The 14th Amendment Section 1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.
4. For the Fact that Moors / Americans are Aboriginal to the Western Hemisphere the Status of Moors / Americans can not be circumscribed to one Quasi portion of their entire “Ancestral Estate”. This is why Noble Drew Ali called on all True American Citizens opposed to only United States Citizens. The Reality is the Land is America! not ‘United States’.
5. For these Reasons Moors/ Americans cannot be Considered “Squatters” on their “Ancestral Estate”/ Western Hemisphere because we are the “True Possessors” of the “Land.” In the Law of Nature.

In Closing the Message, I raise the point in Fact that Prophet Noble Drew Ali / “El Hajj Shariff Abdul Ali”, was of the “Cherokee Tribe” however his Declared and Proclaimed “Nationality” in Fact and Law was “Moorish-American”! All due respect to the readers judgment, the next section of this writing is entitled “Cherokee Rose” and ties to how this “Text Message” started with the concept of “Personal Liberty” and “Unfair *Monopolies* in Trade”. As well, it correlates with the Asiatic connection to the “Western Hemisphere”. From the looks of the Map (below) with a strong arm, you could skip a rock from “Alaska” (Northwest America) to “Northeast Asia”.

“Cherokee Rose”

***Rosa laevigata* (Cherokee Rose)** is a white, fragrant rose native to southern China and Taiwan south to Laos and Vietnam. (North American / Asiatic Connection).

The flower is commonly associated with the “**Trail of Tears**”, which was/is the forced relocation of Native “Americans” in southeastern North America. “Its’ petals represent the women's tears shed” during the period of great hardship and grief throughout the US government-forced march from the Cherokees’ home to U.S. forts, such as Gilmer. The flower has a ‘gold center”, symbolizing the “gold” taken from the Cherokee tribe.

At this present day, the “Gold” taken from Moor Nationals is relevant to the substitution of the Natural Substance (gold and silver) for the Unfair “Monopoly” trade and unconstitutional F.R.N.’s (Monopoly Money).

Definition of “Money”” “Gold and Silver” the common medium of Exchange in a “Civilized Nation” (*Impartial reference, John Bouviers Concise Encyclopedia of Law, Francis Rawles 3^d Revision Published 1914*).

“**Article 1 Section 10**” of the “**American Republic Constitution**”

“**No State shall enter into any Treaty, Alliance, or Confederation; grant Letters of Marque and Reprisal; coin Money; emit Bills of Credit; make any “thing” but “gold and silver”; coin a ‘Tender’ in Payment of ‘Debts’; pass any Bill of Attainder, ex post facto Law, or Law impairing the Obligation of Contracts, or “grant” any “Title of Nobility”**”

With these Points in “Fact”, we have evidence that the F.R.N. “Monopoly” Notes are uncivilized. We the People have to get back to reality fam!

Hillary Clinton, Secretary of State, stated for the Public Record that "Moroccans" are the first "**Nation**" to Recognize the "United States". Why did she say "Nation" opposed to "Country"? Think! Reference The Word "Moor".

In Honor of The Last Prophet in these Days "**Noble Drew Ali**" "**El Hajj Shariff Abdull Ali**" and My National Family, I close this with the following quotes from Noble Drew Ali:

The Fallen sons and daughters of the **Asiatic Nation** of "**North America**" need to learn to "**love instead of Hate**".

Moors in 'Russian' Army

Original Corsica Coat Of Arms was / is a Woman - An Heir

The main charge in the coat of arms in Corsica is *U Moru*, Corsican for "The Moor", originally a female Moor blindfolded and wearing a necklace made of beads. No use is attested prior to 1736, when it was used by both sides during the struggle for independence.

In 1760, General Pasquale Paoli ordered the necklace to be removed from the head and the blindfold raised. His reason, reported by his biographers, was "*Les Corses veulent y voir clair. La liberté doit marcher au flambeau de la philosophie. Ne dirait-on pas*

que nous craignons la lumière ?" (In English: "The Corsicans want to see clearly. Freedom must walk by the torch of philosophy. Won't they say that we fear the light?") Later the blindfold was changed to a headband.

The current Corsican flag is the *Bandera testa Mora* ("Flag with head of Maure"), is male rather than female, and has a regular knot at the back of the head.
