"Descriptions of the Cosmic Energies"

w/ Rahsmariah Bey

Those of us who are under the same astrology sign are not the same; as each astrology sign may be in a different place (house) or degree. i.e. each sign is broken into 3 sections of 10 degrees each, and each section is ruled by a different planet within the same sign, thus causing a different expression of the same, when the native is born. Also the planets create certain aspects that varies the effects of the influences as it filters the energy of the planet differently.

One's Ascendant or rising sign gives a special mark as to how one approaches life in this time or cycle. The Ascendant also marks the body style, and is highly reflective of how others see your presenting yourself to the world. The true "you", the core and center of you, is represented by your 'Moon Sign' (soul), yet it is the hidden you, the soul that is perfect and can be animated by the spirit and murdered by the body. The source of your motives or emotions (energy in motion) is indicated by the Moon. When one is not motivated, or if one is feeling melancholy or down, one usually has to dig deeper within (study self or meditate to find the cause. The 'Sun Sign' (astrology sign) is the characteristics in which you will play out the dictates of your soul (Moon). The Ascendant is how you will present yourself while doing whatever you do. This creates the trinity of you.

“The Lords and Their Angles (Angels)”

The 12 Zodiac Signs, (Astrology Signs/Sun Signs) are properly the ‘Lords, of the Mansions’ in the heavens (“*in my fathers’ house there are many mansions*”) who, along with the Rulers (planets), emit ‘angles (angels) of light that guide the development of humanity. Humanity has fallen and we are still in the folds of becoming complete. The stage is the planet earth (*the green pasture*). If you can overcome the physical trials and tribulations of the planet earth, you will reach Heaven, a higher state of mind, fight your foes on the plane of soul and drop the garb of flesh and reach your highest spiritual being. The Gateway is the Womb, universally from whence you enter into the earthly plane. Wherein all is seeded, breded, and nurtured in thought first, then manifested in action and in deed.

The Lord's Prayer

They will be like lost sheep from the time they spring forth, but the Lords shall be their Shepherd...

THE LORD is my shepherd;
I shall not want.

They shall bring judgment upon themselves.

...yet they will persevere for 40 days and forty nights looking for a place to call home.

2 He makes me to lie down in green pastures;

Their desires shall be obtained in vain...

They shall learn of their Upper and Lower Selves.

3 He leads me beside the still waters.
He restores my soul;
He leads me in the paths of the righteousness
For His name's sake.

...yet their Aspirations shall be their only joy...

They shall cleave to and cultivate a home under pretense

4 Yea, though I walk through the valley of the shadow of death, I will fear no evil;
For You are with me;
Your rod and Your Staff,
they comfort me.

Their goals will be reached through long suffering

Their will is strong but they are filled with a false pride.

5 You prepare a table before me in the presence of my enemies; You anoint my head with oil;
My cup runs over.

Alas! they shall receive understanding of Humanity...

Their discernment will be difficult

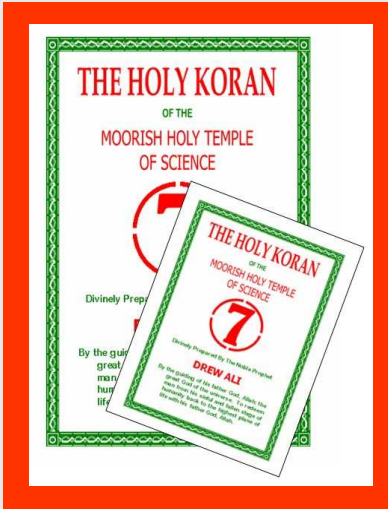

6 Surely goodness and mercy shall follow me All the days of my life; And I will dwell in the house of the LORD Forever.

...and will be born again through the cleansing of the waters.

Chapter XXIII
